

YOUR KaiPerm Credit Union ... Administrative Office Branch Update!

At this time, we have decided to delay the opening of the Administrative Office Branch until October 22nd (tentatively). We are having vendor issues that need to be resolved before opening to our membership.

- The credit union main administrative office at KPB will be open for business October 2-4, 2018. The new tentative close dates are October 18-19, 2018. Please call 503.813.3211 (KPB-1) or 971.310.3010 (Westside) on these days to get assistance.
- We will be getting new phone numbers for the new office. We will provide those once we get them set up and working.

We will continue to provide updates via email and the website (www.kaipermnw.org) as we get closer to branch opening.
